

**Procurement of:
Management Information System (MIS) for the
OneWaSH National Programme (OWNP) of Ethiopia**

Coffey – A Tetra Tech Company (‘Coffey’) has been engaged by the UK’s Department for International Development (DFID) to provide Technical and Managerial Support for Strengthening the Monitoring and Evaluation (M&E) system of the OneWaSH National Programme (OWNP) of Ethiopia. Coffey has been authorised by DFID and the Federal Ministry of Water, Irrigation and Electricity of Ethiopia to manage the procurement of a Management Information System (MIS) for the OWP. The MIS solution is to be financed by DFID’s Critical Gaps Fund.

Coffey now invites sealed Bids from eligible Bidders for the provision of a Management Information System (MIS) IT solution for the OWP, including design, supply, installation and maintenance of the system.

Procurement will be conducted through international competitive bidding (ICB) using Request for Bids (RFB) and is open to all eligible Bidders.

Please contact Emily Tarbuck (emily.tarbuck@coffey.com) for further information and to inspect the bidding document.

Bids, consisting of separately sealed technical and financial proposals, must be received on or before 2:00 PM (BST), 11 November 2017. Bids may be electronically submitted to emily.tarbuck@coffey.com or in hard copy by post to the address below. Late Bids will be rejected.
